1 Purpose

QEGS is committed to providing every student with an excellent education. The school's academic aim is for each student to develop a love of learning and fulfil their academic potential in an inspirational and distinctively boy-centred learning environment. We are also well aware that boys fulfil or exceed their potential when they are content and supported. Therefore, we are fully committed to providing a holistic education to all our pupils.

QEGS is committed to being inclusive as we see a diverse population of both pupils and staff as one of the School's greatest strengths. In order to ensure everyone can thrive and meet their full potential, it is essential that inclusion and equality of opportunity be at the core of all the School's activities.
